

Kwando 2027

STO RATES

Updated August 2026

Dumela!

Updates

It gives us great pleasure to introduce our rates for the 2027/2028 safari season. Running from 16 April 2027 to 15 April 2028.

After two fantastic rainy seasons, 2026 delivered a once-in-a-generation flood into the Okavango Delta. It's big, beautiful and spreading magic throughout the ecosystem.

That's the beauty of Botswana. No two seasons are ever quite the same. Fortunately, flexibility has always been part of the Kwando way.

The flood may be stealing the headlines, but decades of investment in extensive private concessions, a diverse portfolio of camps, and exceptional guides and trackers mean we can make the very best of whatever the season brings.

The Okavango waters rewrite the map each year, but guests can always explore with us by vehicle, boat, mokoro or on foot. So while the landscape changes, our focus doesn't: we put your guests' wildlife experience at the heart of everything we do.

We're all about the wild.

Here are a few reminders on how to make the most of a Kwando safari:

- **Longer Safaris offer better value:** Our Long Stay Discounts offer significant savings on Kwando circuits of six nights or more. The best way to experience Botswana is to take your time, and our rates reward guests who do just that.
- **Flexibility is what we do best.** Every guest is different. Let us know what excites yours, whether it's wild dogs, birds, photography, family travel, or simply spending more time in the bush, and we'll help create the right safari.
- **Go Private.** Splash and Lebala Enclaves offer families and groups the ultimate exclusive safari experience with the freedom to do things their way. See page 3 for more information.
- **Use our expertise.** We've been living and working in these wilderness areas for decades and love talking about them. So don't hesitate to get in touch, whether the conversation is about hyenas, hydrology or creating the perfect Botswana itinerary.

As always, the team are available to answer any queries and help with your bookings.

WildWishes,

The Kwando Team

Private Safaris

Lebala and Splash Enclaves for small groups

- The Enclaves are intimate smaller private main areas on the edge of camp that combine with the rooms of the wider camp. Here guests can enjoy their own private dining, lounge, bar, pool and fireplace on an exclusive basis (although they are free to explore and enjoy the amenities of the larger camp).
- The Enclaves are a great value option to bring enhanced exclusivity and privacy to small group travel.
- The Enclaves offer a private waiter and housekeeper service dedicated to the group. Food is prepared in the main camp kitchen with final touches provided by the chef at Enclave. A private vehicle is required (*please see page 17*). This enables us to offer guests a more personal and tailored service and a private schedule where activities and downtime are planned around the particular interests of the group.
- The Enclaves are ideally suited to VVIPs, friends and family, photographic and academic groups, and any safari where you are looking to create a more exclusive experience.

Enclave Rates

- The Enclave has exceptional value at **USD 550 per group per night**.
- Therefore the total will be: Room per person per night + Enclave Supplement (per group per night) + Private Vehicle Supplement (per group per night). Please consult with your Reservations Consultant if you require further information.

Overview of Enclaves

No of Guests	Minimum 2 adults, and maximum of 10 adults
Facilities	Private dining, lounge, bar, pool and fireplace
Private Vehicle	Private vehicle is required at additional cost. Please see Private Vehicle costing on page 16
Price	USD 550 per group per night

Have a big group? We have big areas

- Whether for a scheduled group booking or a **large private safari**, Kwando is able to offer a variety of camps and camp combinations to cater for large groups.
- Botswana and Kwando are both well known for our dedication to small and intimate camps. However, as custodians of over 1 million acres of private concessions we are ideally placed to assist with organising safaris for groups of 20 or more people.
- Where camps are within the same concession, we can bring the whole group together to share special moments (e.g. group dinners, lunches, surprise sundowners etc).

Great large group camp combinations

Moremi Crossing Okavango Delta	• Groups of up to 32 adults (+ 3 children) • Larger camp size allows for well-priced group tours
Mma Dinare + Rra Dinare Okavango Delta	• Groups of up to 38 adults (+ 4 children) • 10 minutes apart
Lagoon + Lebala, Kwando Concession	• Groups of up to 36 adults (+ 4 children) • 60-90 minutes apart (ideal for group bush brunches or sundowners at halfway pan)
Kwara + Splash + 4 Rivers Okavango Delta	• Groups of up to 60 adults (+ 6 children) • Kwara and Splash are 60 minutes apart. Connection times with 4 Rivers depends on time of year

Large Group Rates

We will tailor your trip based on your group size and requirements. Please ask your Kwando Reservations Consultant for more information. We recommend booking far in advance to secure exclusive camp use.

Luggage and Weight Restrictions

Prepare for a unique flying experience in Northern Botswana! Our flights take you to remote, inaccessible airstrips, often less than 1km long. This unique setting necessitates that our light aircraft weight remains within safe operational limits.

Passenger Weight Restrictions

To ensure aircraft safety, we need advance notice if any passenger weighs over 100kg (220lbs) as flight surcharges may apply. We understand that this is sensitive information, but this is a legal requirement for CAAB records and applicable to all charter companies. Without this information, flight delays or scheduling changes may occur, affecting your safari.

Luggage Restrictions

Weight

- There is a strict luggage weight policy of 15kg for hold luggage and 5kg for carry-on.

Dimensions

- **The maximum size of bags is 62cm long x 30cm wide x 25cm high.**
The baggage compartment on the aircraft has a door opening of 25cm x 62cm.
- **No hard-shell suitcases or luggage with rigid sides or wheels can be accommodated.**
We cannot accept suitcases with hard frames, so bags can be pressed together into the pod if necessary. A duffle-style bag with a hard bottom and wheels is acceptable if it fits within the dimensions.
- **Passengers may be requested to repack if their bags are too large, too heavy, or in incorrect bags.**
Please note that many camps offer complimentary laundry during your stay.

Excess Luggage

- **Excess luggage can be stored in Maun for collection upon return or forwarded to Kasane** if the guest is not departing from Maun or vice versa. However, transporting excess luggage will incur a cost and this excess luggage must fit in one bag. Please book this in advance with your Reservations Consultant.
- **Passengers can otherwise arrange to bring excess luggage in advance.** Charged as follows:
 - » 0 – 15kgs extra = 50% of the seat rate
 - » 15kg – 40kg extra = 100% of the seat rate
- **Book a private charter should you wish to take excess or oversized luggage into the camps.**
Please request a quotation for the additional cost.

Kwando Private Guide

- We often receive requests for a specific named Kwando guide. (Perhaps for a specialist skill such as birding or photography, a guide has been recommended, or because a guest would like to be guided again by a specific guide on a repeat visit.) A specific guide can be booked at a cost of 345 USD per night. This requires the use of a private vehicle. The total cost of both the Kwando Private Guide and private vehicle per night are included in the table below. This does not include any Moremi Air or relocation costs.
- Kwando Private Guide must be booked for the entire stay at any camp (and not part thereof) and can be booked for multiple camps.
