Welcome!

Welcome to Epupa Falls lodge and Campsite! We truly hope that you will enjoy your stay. If you need anything, please reach out to reception, and we will do our best to accommodate you.

Epupa Falls Lodge, on the banks of the Kunene River, is a privately owned lodge in remote northwest Namibia, offering an authentic wilderness experience and the ultimate off-the-beaten-track experience.

As the oldest accommodation in Epupa, Epupa Falls Lodge & Campsite is first and foremost an ambitious conservation project. The lodge is built from Makalani Palms and the rocks from the area and blends in perfectly with its surroundings.
