Onjala, situated about 80 km North-East of Windhoek and 45 km from Hosea Kutako International Airport, is the ideal beginning or ending to every Namibia tour.

Onjala invites with warm hospitality and homestead cuisine with a twist. Various recreational areas invite for a relaxing and enjoyable stay. The dining and entertainment area yields sweeping views onto the Orumbungu valley dotted by free roaming game. A sparkling pool set in the sheltered courtyard. Another pool is perched on a hilltop presenting 360° views and spectacular sunsets.

The unconventional architectural style of Onjala is a sculpture of natural stone, which blends exceptionally well into the hills of the surrounding landscape. Onjala offers quality accommodation in a warm and creative African ambience.

The main lodge provides accommodation in ten en-suite rooms. Each room has a comfortable balcony with an awe-inspiring view onto the surrounding valley.

Tucked into the African bush are six freestanding bungalows each with two separate units, adding up to a total of twelve en-suite rooms. Equipped with air-conditioning and fitted with a patio, the bungalow rooms allow for increased privacy and a heightened nature experience.

Onjala is complete with four freestanding panorama suites. The luxurious suites are equipped with air-conditioning, an oversized bathroom and a spacious wardrobe, providing all the comforts for a pleasant stay.
